

Does the sunshine make a sound when it falls?

wind

$\text{♩} \approx 88 \text{ M.M.}$

Glockenspiel*

Snare Drum

**Vibra-
phone**

Triangle

**Wind
Chimes**

**Piano
△**

**Bell
Tree**

Harp

gradually increase speed, range, and dynamic of glissandos from 1 octave ppp to

ppp (simile)

Dynamics are relative.
Score in C.

The title is taken from a question asked by a deaf man
of his hearing daughter in the film Love Is Never Silent.

* Glockenspiel is to sound two octaves higher, and is to be 'prepared' by draping chains
over the bars.

△ The piano strings are to be played, not the keys.
